Transitional and virtual students will report to the media center from our visiting parking lot. There will be a staff member, table, and sign-in for students. Arriving at 9:00a will ensure a 9:30a start time. If your child receives accommodations, the length of the test may vary and location. As we get closer to the test, we will inform you of a pickup time for your child. Your child will be dismissed from the media center. Masks and/or face shields must be worn upon arrival.
